

PARLIAMENT OF INDIA

DEPARTMENT-RELATED PARLIAMENTARY STANDING COMMITTEE ON SCIENCE & TECHNOLOGY, ENVIRONMENT, FORESTS & CLIMATE CHANGE

The Department-related Parliamentary Standing Committee on Science & Technology, Environment, Forests and Climate Change is presently examining "The Wild Life (Protection) Amendment Bill, 2021" and has decided to invite memoranda thereon within 15 days of publication of this advertisement. The Wild Life (Protection) Amendment Bill 2021 proposes to amend the Wild Life (Protection) Act, 1972 so as to include the aspects of "conservation" and "management" of wild life, rationalise and amend the Schedules to the Act for the purposes of clarity, insert provisions to enable control of invasive alien species, make amendments for better management of protected areas and other such related matters. Those desirous of submitting memoranda or giving oral evidence before the Committee may visit the link <http://rajyasabha.nic.in> (under the tab 'Committees' -> 'Department Related –RS') to access the entire text of the Bill along with other details. All correspondence may be sent, only through email, to Shri Rakesh Anand, Additional Director, Rajya Sabha Secretariat, (Tele. No. 011-23035772) at rsc-st@sansad.nic.in.
